**Making such statements?  
This is extortion for  
something that I didn't  
even received.**

**If you want to cancel the  
transaction ? And you  
want a refund ? All you  
have to do is have your  
attorney contact manfred  
with a formal request so  
Manfred can issue him a  
refund.**

**Manfred is not calling  
your lawyer. Neither am I.**

**If you wish to cancel.  
Like I stated before.**

**Have your attorney  
contact manfred via text  
or email.**
